### Make a difference - Visit another Area!

o-o-o-o-o-o-o-o-o

From Margaret Wilson (South West)

What do you call a dinosaur with an extensive vocabulary? A Theosaurus  
Velcro What a rip-off!

**FUNNIES FOUND ON FACEBOOK** - Sent in by Ken Sheppard (Home Counties)

1. We had to have the garage door repaired. The repairman told us that one of our problems was that we did not have a 'large' enough motor on the opener.  
I thought for a minute, and said that we had the largest one made at that time, a 1/2 horsepower. He shook his head and said, 'You need a 1/4 horsepower.' I responded that 1/2 was larger than 1/4 and he said, 'NOOO, it's not. Four is larger than two.' We haven't used that repairman since...
2. I live in a semi rural area. I was at the airport, checking in at the gate when an airport employee asked, 'Has anyone put anything in your baggage without your knowledge?' To which I replied, 'If it was without my knowledge, how would I know?' He smiled knowingly and nodded, 'That's why we ask.'
3. The pedestrian light on the corner beeps when it's safe to cross the street. I was crossing with an 'intellectually challenged' co-worker of mine. She asked if I knew what the beeper was for. I explained that it signals blind people when the light is red. Appalled, she responded, 'what on earth are blind people doing driving?!' She is a government employee.....
4. When my husband and I arrived at a car dealership to pick up our car after a service, we were told the keys had been locked in it. We went to the service department and found a mechanic working feverishly to unlock the driver's side door. As I watched from the passenger side, I instinctively tried the door handle and discovered that it was unlocked. 'Hey,' I announced to the technician, 'its open!' His reply, 'I know. I already did that side.'

X *Folk Dance & Song Group—Fixture List 2018*

Because of its early publication, this fixture list should be regarded as provisional. Reference should be made to the Folk Group *Newsletter* and the *Out & About* supplement in *Camping and Caravanning* for further details.

Members are welcome at any Area Meet, but it is advisable to check details with the local Area, as if a meet has to be cancelled at short notice, it is not possible to advise every member of the Group. Members are reminded that their CCC membership card should be presented at each meet.
